

80,000 Pounds of Rock Fish Fill Net of Kodiak Trawler

Captain Kurt Waters of the F/V Mar del Norte, sent this screen photo showing 80,000 pounds of rock fish...

Captain Kurt Waters of the F/V Mar del Norte sent this screen photo showing 80,000 pounds of rock fish caught recently using his WESMAR TCS380-300 Trawl Sonar. He said the boat was traveling at 3.3 knots and after three sweeps of the sonar with their net full they were pulling at 2.4 knots.
